Dear Claudia Livia,

On behalf of the staff and families at SCO Flushing Family Residence, we would like to sincerely thank you for the generous donation of remote trucks, transformer cars, Bluetooth headphones with speaker sets, wireless speakers, jewelry kits, Barbie Dolls, mini drones, karaoke speakers and mics, basketballs, winter hat sets, and so many more gifts. Let me also mention the Dunkin' Donuts gift cards for the seven older teens. Your thoughtful contribution ensured that the 200 children residing at Flushing, ages 0-19, received gifts for the 2024 Christmas holiday. The children were overjoyed to receive such wonderful and amazing presents.

Words cannot fully express how your foundation's donations have profoundly impacted the families, especially the children who have never experienced Christmas in this country. For the past three years, Empower Kids Foundation has consistently shown the families at Flushing that, no matter the obstacles or challenges they face, there are people in the world who care and are willing to help. We are especially grateful for your personal effort in shipping the donations from Florida to Brooklyn at your own cost to ensure that children in our shelter received toys on Christmas day. We are deeply thankful and look forward to continuing to build a relationship with you.

Once again, thank you for your generous contribution to our families.  
Wishing you a Happy New Year.

Respectfully,  
Denise Watkins  
Childcare Coordinator Supervisor Manager
