Dear Claudia Livia,

We, the staff, and Families at Flushing Family Residence would like to say; thank you, most sincerely, for over 100 Christmas gifts that you donated to the children at SCO Flushing Family Residence; this 2024 Holiday season. The Children were elated to have received such beautiful Toys.

Words cannot express how your donation tremendously encouraged families, especially the children who have never experienced Christmas in this country. I must say that for the past 3 years you have consistently demonstrated to the families at Flushing that whatever it takes to help people thrive, no matter the obstacles they face or the challenges they must overcome, there are people in the world who care and are willing to help.

We especially thank you for taking the time to personally ship out the donations at your own cost from Florida to Brooklyn New York to ensure children in the shelter have a toy on Christmas day. We are extremely grateful and look forward to continually building a relationship with you.

Thank you again for your generous contribution to our families.

Happy New Years
Respectfully,

Denise Watkins |Childcare Coordinator Supervisor Manager
