Dear Ms. Claudia Livia,

SCO Family of Service Flushing Family Residence origination and staff would like to thank you for your generous backpack donations and school supplies. You truly showed the Children here at Flushing Family Residence the true meaning of caring for people who are less fortunate than yourselves.

Ms. Claudia Livia, thanks to you 100 children received backpacks for the 2023 school year. The children here at Flushing and their parents were elated to have received quality backpacks and school supplies. We also thank you for personally shipping the item from Florida to Brooklyn.

We would like for you to know that "words cannot express how you touch the hearts of the children and tremendously encourage their parents. Thank you for being a blessing to the SCO Flushing families.

Thank you again for your very generous contribution.

Sincerely,

*Ms. Watkins*
